Messages from the Charismatic Teaching Centre taught by Dr. Hobart E. Freeman

An examination of God's Word will show that a proper New Testament church is one in which all of the people function, not just a "professional ministry". God calls every Christian to be an active participant in the work of His Kingdom, not merely a spectator. All of the people are called to study the Bible, operate in the gifts of the Holy Spirit, cast out demons, pray for the sick and intercede on behalf of the needs of the Church. Every believer is expected to grow in faith and mature unto the fullness of Christ.

Therefore, one of the central responsibilities of a Church functioning after the New Testament pattern is to be a teaching centre. The task of the Church leadership is to train the believer for the work of their own ministries, and this takes place chiefly through the teaching of the scriptures (II Timothy 3:16-17; Ephesians 4:11-13). The importance of a systematic study of God's Word cannot be over-stressed.

We know that God is raising up an army to do battle against the forces of darkness in these last days. This army will not be made up of "nominal" Christians, but of those who have paid the cost to know the deeper things of God as well as the basic doctrines of the Word. It will be made up of those who have developed a strong faith, those who have gained experience in the battlefield, overcoming Satan by the blood of the Lamb and the word of their testimony. They are called overcomers (Revelation 2, 3, 12) and have paid the cost to know God intimately. They have suffered and overcome through the trials and persecutions that come to those who hold fast to Jesus, proclaiming and living His absolute Word of truth. They will be well grounded in a theology that is pure, so they cannot be tossed about by every wind of doctrine.

The Lord led Dr. Freeman to begin teaching a series of classes in addition to the regular meetings. These studies deal with many of the deeper and more detailed aspects of Biblical Christianity, comparing God's truth to errors that have arisen, both ancient and modern.

Many people have obtained these messages by mail and have set up their own programme of study. Additionally some have gathered into groups to study together using these messages.

The following pages of this message list give an itemised listing of the classes taught by Dr. Freeman for the Charismatic Teaching Centre

Biography

Dr. Hobart E. Freeman was a businessman in St. Petersburg, Florida, for a number of years until his conversion to Christ in 1952. Called into the ministry shortly thereafter, he was educated at Georgetown College and the Southern Baptist Theological Seminary, completing his studies at Grace Theological Seminary, where he taught Old Testament, Hebrew, Philosophy, and Ethics before assuming his ministry as pastor, author, Bible teacher and conference speaker. During his lifetime, Dr. Freeman traveled extensively teaching an end-time message of Faith, Deliverance and the Deeper Life in the Spirit.

There are four ways of obtaining these messages:

- 1. Audio CD:** Playable in any audio CD player and computers with a CD/DVD drive and sound card. Audio CDs only hold one message per disc. Packaged in a clamshell case, CD face label only.
- 2. MP3 CD:** Playable in any CD or DVD player that can read MP3 format. A MP3 CD typically holds a maximum of around 20 messages (depending on the length of message). Packaged in a clamshell case, CD face label only. Larger orders packaged in a slim jewel case, CD face and case insert.
- 3. MP3 DVD:** Same packaging as an MP3 CD, but a DVD can hold more messages and requires a DVD player. Ideal where a series is too large to fit on one CD.
- 4. Flash Drive / SD Drive:** We can supply audio messages on either a flash drive or an SD drive. However the price of these varies depending on the size of the files and the size of the flash / SD drive. Small orders may not be cost effective for a customer but we can provide a price upon request.

If placing an order by email, please put the subject heading "VEM ORDER" – this will prevent our spam filter blocking your order.

IMPORTANT: When sending your order don't forget

1. To specify which type of media you require: Audio CD, Mp3 CD, Mp3 DVD, Flash Drive, SD Drive
2. To PRINT your name and address (some forget altogether!)
